Dear Ms. Ward,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-318-E - Application of Duke Energy Progress, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: Duke Power Rate

Why is Duke raising the price of my electricity now? I have been on a levelized paying schedule so that I could know my monthly bill every month.

This is very confusing to me. Why is the rate being raised now?

I am a retired person with a disability so I am very limited in what money I can spend on such essential services as my electricity.

South Carolina has one of the highest rates for electricity in the country. I live in South Carolina, but my electricity comes from North Carolina.

I feel cheated for no real reason.

I disapprove of this price increase without any increase in the quality of the service.

Thanks for listening to my concerns.

Carol Ward
